Sacred months in Islam

Allah says in the Qur'an, surah at Tawba (9):36

> "The number of the months, with God, is twelve in the Book of God, the day that He created the heavens and the earth; four of them are **sacred** [Muharram, Rajab, Dhul-Qa'da, and Dhul-Hijja]. That is the right religion. So wrong not each other during them."

Shahih al Bukhari, Book no. 54. Narrated Abu Bakra:

> The Prophet said, "(The division of) time has turned to its original form which was current when Allah created the Heavens and the Earths. The year is of twelve months, out of which four months are sacred: Three are in succession Dhul-Qa' da, Dhul-Hijja and Muharram, and (the fourth is) Rajab of (the tribe of) Mudar which comes between Jumadi-ath-Thaniyah and Sha'ban."
